# Hungary

February 27<sup>th</sup> (sun), 2011

Lecturer: Ms. Henriette Kokeny

We have invited Ms. Henriette Kokeny

as a lecturer. She told us a various things

about Hungary.

Hungary is landlocked country in Central Europe.

Hungary is one of the thirty most popular tourist destinations of the world.

The country has lots of attractive sightseeing places such as the largest thermal

lakes in the world (lake Heviz), the largest lake in Central Europe (Lake

Balaton) and the largest natural Grasslands in Europe. After her talk, I felt like

to visit Hungary.
