

Attractiveness of Quebec

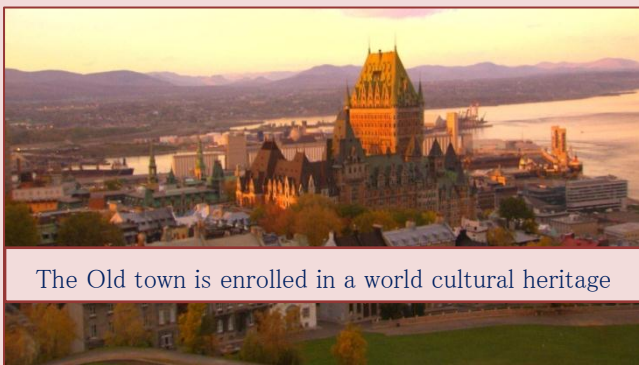

This time invited Mr. Mohan Patel who is a Representative of the state of Quebec public corporation. He introduced about eastern part of Canada where is French cultural sphere. He told us about geographical features, industry, culture, season and food, etc.

Participants asked lots of questions and he answered those questions. Then he talked about related issues about the questions.

Lecturer: Mr. Mohan Patel

Mr. Patel recommended visiting Quebec in Summer time. Winter time is extremely cold. Since winter time is freezing cold people really look forward to that summer comes. In Montreal they have the famous Montreal Jazz Festival in Montreal which some of the famous musicians play on street. In Autumn you can visit maple tree road, in winter they have Winter Carnival, in spring they harvest maple syrup.

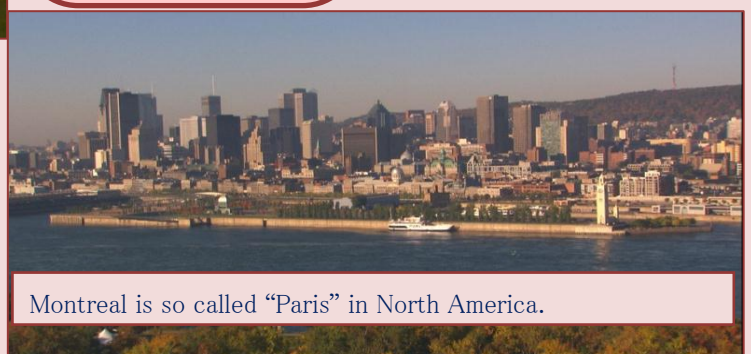

The Old town is enrolled in a world cultural heritage

Poutine is one of local Quebec food. Gravy source is sprinkled over the French fries. It looks quite delicious, I want to try it!
