“Hello Gathering” Special Event

On Dec. 11th Sun., we had a field trip to Yamate as a special event of “Hello Gathering”. At 9:30, 27 participants, including volunteers and staff, left for Ishikawa-cho station from Iwama Shimin Plaza. Our first stop was Bluff 18 Ban-kan (Italy-Yama). This building was beautifully decorated for Christmas. Then, we went to America-Yama, Harbor View Park (Minato-no-Mieru Oka Koen), and France-Yama. Participants enjoyed chatting while they are walking. At the last, all enjoyed delicious Chinese food at China Town!
